

United Way
Halton & Hamilton

TEAM BUILDING FOR A CAUSE

Looking for a team-building activity that's not only fulfilling, but helps your community?

Partnering with United Way Halton & Hamilton offers your team a chance to sharpen their skills while also opening their eyes to what's happening locally. They'll learn about the social issues that matter most and discover how we can all contribute to positive change.

BENEFITS TO YOUR ORGANIZATION

- Strengthening team bonds through fun and engaging activities.
- Fulfilling corporate social responsibility.
- Showcasing your organization's values and community commitment.
- Enhancing your team's understanding of inclusion, equity, and diversity.
- Connecting employees with local support programs.
- Opportunity for cross-departmental relationship building.

BENEFITS TO THE COMMUNITY

- Community agencies are able to concentrate on services and receive support to improve their capacity.
- Creation of lasting partnerships and networks for future community development.
- Completed kits are directed towards community programs that address clients' immediate needs, while also supporting long-term change through investments in programs that tackle various social issues.

PACKAGE OPTIONS:

FULL EXPERIENCE:

Enjoy a 1-2 hour United Way hosted team-building session, including engaging activities, social issue presentations, kit packing sessions, and more. United Way manages the event from start to finish, providing a hassle-free experience.

HYBRID EXPERIENCE:

Participate in a 1-2 hour United Way hosted session with social issue presentations, kit packing sessions, and local agency presentations. Organizations procure materials for kit packing and can accompany the event with an employee donation drive.

DIY EXPERIENCE:

United Way provides instructions for running an independent kit packing session, with staff available to speak about your organization's support. United Way staff handle kit distribution to community programs.

HOW TO GET STARTED:

Contact your resource development manager or reach out to Kayla at kwillet@uwhh.ca.
