

Take the *What Serves Us* Survey

United Way Golden Horseshoe wants to learn about your life and how community services can better serve you.

Access the Survey:

Who can? Those 16 or older who live in or use community services in Halton or Hamilton.

What to expect? The survey is confidential, asks about your life, and takes 30-45 minutes to complete.

How to take it? Go to the QR code or website with your phone or computer. You can then choose to:

- take the survey on your own or
- attend a survey-taking event with food and company.

Anything for my time? Everyone receives a body products kit and is entered into a raffle for gift cards of \$100. Raffle odds are 1 in 20 or better.
