Greetings from the Mayor

Welcome to the 38th Annual Mayor's Invitational Golf Tournament in support of United Way Golden Horseshoe.

For nearly four decades, this tournament has brought our community together to support local individuals and families through vital programs and services. It's a tradition that reflects the generosity and community spirit that make Oakville such a special place.

This year marks an exciting new chapter as United Way organizations across the region unite as United Way Golden Horseshoe. While the name is new, the commitment to local impact remains the same, with funds raised locally continuing to support programs and services close to home.

At a time when many in our community are facing growing challenges, your support makes a meaningful difference. Thank you to our sponsors, golfers, volunteers, and community partners for helping make this event possible year after year.

I hope you enjoy a wonderful day at Glen Abbey Golf Club, and thank you for supporting a stronger, more connected community.

With thanks and appreciation,

Rob Burton, Mayor
Town of Oakville

Angelina’s Story:

Finding Confidence and Belonging Through Creativity

United Way-Supported Program Provides Angelina a Safe Space after Years of Bullying and Anxiety

For years, bullying made school feel unbearable. I lost confidence and believed I didn’t belong anywhere.

That started to change when a teacher encouraged me to join a free theatre camp offered through a United Way-supported program. I was scared at first, but the program welcomed me with kindness.

Through music, drama, and design, I found a safe space where I could be myself. My confidence began to grow. I made friends. I started speaking up.

Now, I feel proud of who I’m becoming. Thanks to United Way, I feel empowered and connected.
